Brother Knights, being a member in the fellowship of Christ I can, with my whole heart, say I am so thankful and honored to have Fr. Virnig in my and our life. Not only is he a marvelous Christian leader he is a fantastic human and I am so very thankful that the Lord allowed him to be part of mine. Please join me in thanking him for the many years he has been part of ours and others lives.

#### **Message from Father Virnig, K.C. Chaplin**

Brother Knights: I have been your Chaplain since this Council began. Six years ago I was told that Father Roger didn't want to be your Chaplain, so I continued. Since I don't have contact on what goes on in the parish, I decided now to quit as chaplain. I would have preferred to do this at a meeting. This is to give the new pastor an opportunity to work with you concerning the needs of the parish and to get more men active in the Knights. Since Covid-19 began I have not been able to attend any activities of the Knights.

Brother Knights, I enjoyed being with you all these many years. Please keep remembering the good works you can do for the parish and for your neighbors. October is Pro-life and Rosary month. Pray the Rosary with your families during the month and throughout the year. There many intentions you can pray for to help all in need.

Every life from the moment of conception is given a soul by God. Therefore, every human life belongs to God who has given their soul life. We are to help care for these lives whether convenient or inconvenient. That is part of the Commandments, to love God with our whole heart, soul and spirit and love our neighbor as ourselves. May God bless you always.

Your Brother Knight, Father Larn Virnig
